

Dear LWGC Members,

We hope everyone is enjoying our Thursday Golf days.

June 10 and 17 we will be playing a 2 week, Eclectic.

June 10 and June 17 play the 18 holes and document the total strokes on each hole. Select the lowest strokes for each hole between the two weeks, and put that score on the Best Score line. Total up your best score for the Eclectic game. On June 17 if your strokes on any hole are higher than the prior week, you can put your ball and not finish the hole. You must turn in your Individual score card and a group master score card after each week. If your score cards are not turned in you will not be eligible to win.

The LWGC Board will be meeting after golf on June 10 to discuss plans for the remaining of the year.

We are still required to follow the LA County guidelines for COVID. Please continue to wear your mask in public areas (pro-shop, club house, driving range, etc). We can only have 4 golfers in the club house at any given time. Please wait outside if there are 4 golfers in the club house and wait your turn. Thank you for your understanding, hopefully this will change soon.

More to come on the plans from the Board Meeting.

Thank You,  
Cheryl Meyer  
LWGC President.
