

Margaret Yamashita

1920-2022

Margaret Yamashita, a longtime member of Los Verdes Women's Golf Club, died Friday, Sept. 9, 2022. She was 102 years old and for the past two years lived in Valencia with her daughter.

Margaret loved golf and belonged to many other clubs, including Lakewood, Alondra, Brookside and E Onay. She also was a member of Pub Links and played in many of their away golfing trips.

She was always happy, smiling and helpful. If you golfed with Margaret, you never had to rake your messy sand trap. She would have your trap raked and neat before you got out of the cart.

Rest in peace, Margaret.
